Join us in our Open House crafting event!

Monday, Tuesday AND Wednesday December 21-23 from 11:00 am to 2:00 pm at the Victoria Brain Injury Society.

We will have craft supplies on hand to create a small ornament for you to take home or give as a gift.

We have two styles to chose from ... or maybe you have your own ornament ideas.

The VBIS elves will be here to assist you in all your crafting desires!
